

European Society for Vascular Medicine

2nd Annual Congress of the ESVM · Rome, Italy · May 8–10, 2016

Save the date!

We are excited to invite you to the 2nd Annual Congress of the European Society for Vascular Medicine which comprises national societies for vascular medicine of 15 European countries.

The first congress in Potsdam, Germany, was a superb meeting: It was an excellent start, thanks to the very hard work of the President Prof. Sigrid Nikol and the Organising Committee. The 2nd annual meeting in Rome, Italy, will be devoted to maintain an atmosphere to further harmonize vascular medicine in Europe. We will maintain the scientific sessions, workshops, courses, hand-on trainings, live case transmissions to share and to learn as much as possible from each other, hoping other countries will join the ESVM soon.

We are looking forward to welcoming you in Rome

**Adriana Visonà, Congress President and
the Organising Committee**
